

# Session 43: The Meaning of Key Terms in Jonah

---

## Key Takeaways

- God wants to deliver Jonah from his distorted mindset where his enemies finding mercy is evil to him.
- The imagery of Jonah with two shelters, one made by him and one provided by God, tells us he has a choice to make. Will Jonah stay in his own version of reality, or will he accept the version of reality that God wants to give him as a gift?

## Reflection Question

How do the biblical authors link Jonah's story to Cain's?
